

WORKING HOURS CLUB

We've listened to your feedback and understand many of you have work commitments that stretch before and beyond our camp start and finish times.

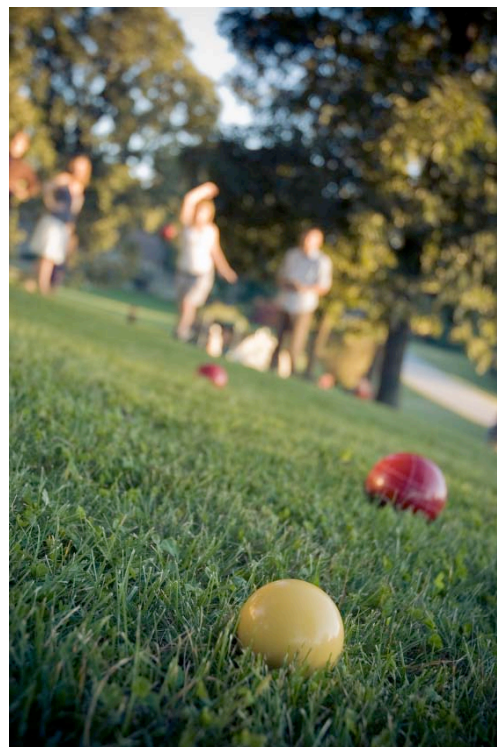

Our early drop off is at 8.30am and late collection, 5.30pm. With children running around all day it is essential that our early drop off and late collection activities are relaxed with choice and variety for all age groups.

At each camp this summer children will have the choice of three different activities:

DVD time for those children who want to relax before camp activities start or after they finished.

Arts and Crafts choice children will have different options each day ranging from flag making, t-shirt design, mask making and painting.

Garden games for those with bundles of energy! Giant snakes and ladders, twister, boules, shuffle board and giant jenga!

Our working hours club will always be properly supervised with the appropriate ratio of staff to children. We will inform you in our newsletters of where each working hours club will operate from within each school. Often school gyms don't have the necessary facilities for our activities during this time so we may operate them out of a classroom or alternative area
